

Thank you for your interest in Youth As Resources! Please read thoroughly and complete the grant application, itemized budget, & action plan found on this website. Once completed, you will email all three documents to the YAR Grant Coordinator, Andy Cassel, at andy.cassel@pawnee.org. Once everything has been received, the YAR coordinator will invite the youth from your group to do a brief presentation at the next Advisory Board meeting. If you are not able to meet during this scheduled time, we will work together to find a time that is convenient for both parties. All questions or concerns should be addressed to the YAR coordinator at 785.587.4361. Thanks for your interest and good luck!

On this page, you will find all of the necessary documents to complete your YAR application. In addition, you will find some tips and guidelines for making the most of your grant experience. Finally, if you are interested in serving in the capacity of the Advisory Board, you will also find the appropriate board member application.
