

SUPPORTING BACK TO SCHOOL WELLNESS

One in six youth have a mental health condition, like anxiety or depression, but only half receive any mental health services.

WE ARE HERE TO HELP!

Pawnee Mental Health provides medically necessary mental health support in schools by partnering with local school districts and allowing for a decrease in internalized and externalized behaviors for our clients in those schools.

SERVICES PROVIDED IN THE SCHOOLS INCLUDE:

- Individual Therapy
- Case Management
- Waiver Attendant Care
- Family Therapy
- Community Psychiatric Support and Treatment

BENEFITS OF SCHOOL BASED SERVICES:

- Allow for early identification and treatment of mental health conditions
- Academic performance increases
- Enhanced attendance records and reduction of absenteeism
- Behavior improves

Pawnee Mental Health is in 20 schools providing therapy and/or case management services.

The following school districts include:

USD 113 – Axtell, USD 320 – Wamego, USD 322 – Onaga, USD 323 – Rock Creek, USD 383 – Manhattan, and USD 475 – Junction City.

For more information on our School Based Services at your school, contact your **school administrator** or **sbs@pawnee.org**.
